Dear sir:

I have been a beliver in Unidenified Flying Objects for a long time.  
Could I have more information on this subject? Up here the girls say that  
people who believe in U.F.O.'s are crazy. If this is true then I am as crazy  
as a loon. If it is possiable I would like to have a picture of a group  
of U.F.O.'s in formation.

Thank you,
